

A wooden play structure with a green roof, a green platform, and a green slide with four bone-shaped cutouts. The structure is made of light brown wood and has a green roof. The platform is green and has four bone-shaped cutouts. The slide is green and has four bone-shaped cutouts. The structure is supported by several wooden legs.

Technical drawing of a house plan with dimensions. The drawing shows a main house structure with a gabled roof and a smaller structure to the right. Dimensions are provided in inches.

Vertical Dimensions (from left to right):

- 76" (Total height of the main house structure)
- 28" (Height of the main house structure from the ground line)
- 22" (Height of the main house structure from the ground line)
- 26" (Height of the main house structure from the ground line)
- 20" (Height of the smaller structure from the ground line)
- 6" (Height of the smaller structure from the ground line)
- 13" (Height of the smaller structure from the ground line)

Horizontal Dimensions (from left to right):

- 46" (Width of the main house structure)
- 44" (Width of the main house structure)
- 9" (Width of the smaller structure)
- 11" (Width of the smaller structure)
- 11" (Width of the smaller structure)

Technical drawing of a vehicle chassis showing dimensions for the front suspension and steering components. The drawing includes the following dimensions:

- Overall width: 76"
- Distance from centerline to the center of the steering knuckle: 28"
- Distance from centerline to the center of the shock absorber: 26"
- Distance from the center of the steering knuckle to the center of the shock absorber: 12"
- Distance from the center of the steering knuckle to the center of the lower control arm: 18"
- Distance from the center of the steering knuckle to the center of the upper control arm: 6"
- Distance from the center of the steering knuckle to the center of the lower control arm: 19"

Technical drawing of a rectangular object, possibly a book cover or folder, showing dimensions and internal details. The overall dimensions are 139" in length and 41" in height. The height is divided into two sections: 33" for the main body and 8" for the bottom flap. The main body contains four vertical slots, each containing a bone-like shape. The bottom flap is divided into three sections by two vertical lines. The right side of the object features a series of overlapping, trapezoidal shapes, suggesting a binding or a stack of pages. A dimension of 30" is indicated for the width of the bottom flap.
